Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

### Ranking Journals Economics Impact Factor

This list provides a simple impact factor, computing a ratio of the number of citations by the number of items in the series. Citation counts are adjusted to exclude citations from the same series. These computations are experimental and based on the citation analysis provided by the CitEc project, which uses data from items listed in RePEc ...

Normally, journals display their Impact Factor and CiteScore on their About Page. However, you have to be careful because predatory journals post fake Impact Factors too.

### How can I find the impact factor and rank of a journal?

Many journals do not have an impact factor. The impact factor cannot assess the quality of individual articles. Even if citations were evenly distributed among articles, the impact factor would only measure the interests of other researchers in an article, not its importance and usefulness.
